## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
BRING Recycling  
Eugene, Oregon

We have audited the accompanying financial statements of BRING Recycling (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BRING Recycling as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Report on Summarized Comparative Information**

We have previously audited BRING Recycling's 2014 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 25, 2014. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

BRING RECYCLING  
NOTES TO FINANCIAL STATEMENTS

**1. Nature of Operations and Summary of Significant Accounting Policies**

**Organization**

BRING Recycling (BRING) collects reusable materials, provides resource conservation education and is an outlet for the purchase of reusable materials for the Lane County, Oregon community. BRING's retail operations are conducted at the Planet Improvement Center at the Franklin Boulevard site.

**Program Services**

BRING relies primarily on funding from the sale of reusable donated items by individuals and businesses and contracts with governmental and municipal agencies to provide resource conservation education programs.

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Basis of Presentation**

Under accounting standards for not-for-profit organizations, BRING is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Accordingly, net assets of BRING and changes therein are classified and reported as follows:

*Unrestricted/Undesignated* - Net assets available for general obligations of BRING.

*Temporarily Restricted* - Net assets subject to donor-imposed stipulations that will be met by actions of BRING and/or the passage of time. When a purpose restriction is met or a time restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

*Permanently Restricted* - Net assets subject to donor-imposed restrictions that stipulate the resources be maintained permanently, but permit BRING to use the income. Net assets and all balances and transactions are presented based on the existence or absence of donor-imposed restrictions. BRING has no permanently restricted net assets.

Expenses are reported as decreases in unrestricted net assets. Gains and losses on other assets or liabilities are reported as increases or decreases in unrestricted net assets, unless their use is restricted by explicit donor stipulation or by law.

**Cash and Cash Equivalents**

BRING considers all highly liquid investments with a maturity of three months or less when acquired to be cash equivalents. BRING's cash and cash equivalents consist of demand deposits and money market accounts. BRING maintains its cash balances in several financial institutions located primarily in Eugene, Oregon. At June 30, 2015 and 2014, cash balances held in excess of federally insured limits were \$18,838 and \$-0- , respectively. BRING has not experienced any losses in such accounts.

BRING RECYCLING  
NOTES TO FINANCIAL STATEMENTS

**1. Nature of Operations and Summary of Significant Accounting Policies, continued**

**Receivables**

BRING considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts was considered necessary. Management determines and evaluates past due balances on an account-by-account basis, and if amounts become uncollectible, they are charged to operations when that determination is made.

Pledges are recorded at their net realizable value computed by discounting amounts to be received in future years by the appropriate risk-free interest rate. Pledges receivable in less than one year are reported as current assets. Pledges receivable in one to five years are reported as long-term assets. Specific pledges receivable are written off as they become uncollectible. BRING considers all pledges receivable at June 30, 2015 and 2014, to be collectible.

**Inventories**

Inventory primarily consists of donated doors, windows, and various other building materials. Inventory is stated at an estimated net realizable value by applying the value to a physical count taken at year-end.

**Property and Equipment**

Property and equipment purchases in excess of \$500 are capitalized at cost. Donated property and equipment are stated at fair value at the date of the gift. Depreciation is computed using the straight-line method at rates based on the estimated useful life of the property and equipment. The estimated useful life for vehicles, office, and other equipment is 5 to 15 years and 40 years for buildings. Major renewals and betterments are capitalized, while replacements, maintenance, and repairs which do not improve or extend the lives of the respective assets are charged to expense. The cost and related accumulated depreciation of property sold or retired are removed from the accounts and any gain or loss is reflected in the change in net assets.

**Revenue Recognition**

Contributions, which include promises to give, are recognized as revenues in the period the promise is received. Conditional promises to give are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met. Deferred revenue consists of amounts received in advance under contracts or grants and is recognized when services are performed.

Contributions receivable for the support of future operations, programs, and activities are recorded at the present value of the estimated future cash flows, net of any allowance for uncollectible amounts.

BRING receives donations of reusable items, which include building, industrial, and fabrication materials, at the BRING retail location. Revenue is reported net of inventory adjustments. To benefit the environment by keeping materials out of landfills, BRING purchases and stocks new and surplus items which are sold at its retail location. Fee for service revenue is recognized when the service is performed. Proceeds from fundraising events are recognized as revenue during the period that the fundraising events occur. Amounts received by BRING prior to the event are classified as deferred revenue.

BRING RECYCLING  
NOTES TO FINANCIAL STATEMENTS

**1. Nature of Operations and Summary of Significant Accounting Policies, continued**

**Contributed Services**

BRING receives donated services from unpaid volunteers assisting in the Planet Improvement Center, with special events, with fundraising, and in the site construction project. Donated services from unpaid volunteers are recognized in these financial statements in accordance with the criteria for recognition under accounting standards for not-for-profit organizations. The value of services contributed by these volunteers is not reflected in the financial statements, as these services do not meet the criteria for recognition.

Certain donated professional services or services requiring specialized skills are recorded as contributions at their actual or estimated fair market value on the date of the receipt. The amounts are then also recorded as expenditures, unless they are related to building or improvements, in which case they are capitalized. During the years ended June 30, 2015 and 2014, BRING received in-kind contributions with a fair value of \$2,548 and \$6,288 on the date of donation, respectively, of which no amount was capitalized as part of property and equipment.

**Income Taxes**

BRING is an Oregon not-for-profit organization and complies with the requirements of Section 501(c)(3) of the Internal Revenue Code. Thus, BRING is exempt from federal and state income taxes. BRING's Form 990, *Return of Organization Exempt from Income Tax*, is generally subject to examination by taxing authorities for a period of three years after filing. Management believes BRING meets the requirements to maintain its tax-exempt status.

**Advertising**

BRING uses advertising to promote its programs among the audience it serves. Advertising costs are expensed as incurred. Advertising expense for the years ended June 30, 2015 and 2014, was \$18,943 and \$13,162, respectively.

**Functional Expense Allocation**

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services that they benefit.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

BRING RECYCLING  
NOTES TO FINANCIAL STATEMENTS

**2. Pledges Receivable**

BRING completed the capital campaign to obtain funds for expansion of the Planet Improvement Center. As of June 30, capital campaign pledges receivable were as follows:

	<u>2015</u>	<u>2014</u>

Contributions to the plan are made at the discretion of the Board of Directors. The Board approved employer matching contributions to the plan during the years ended June 30, 2015 and 2014, were \$9,193 and \$7,945, respectively.

BRING RECYCLING  
NOTES TO FINANCIAL STATEMENTS

**9. Prior Year Summarized Information**

The financial statements include certain prior year summarized comparative information. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with BRING's financial statements for the year ended June 30, 2014, from which the summarized information was derived.

**10. Subsequent Events**

Management evaluates events and transactions that occur after the statement of financial position date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
